Dear Sir/Madam,

The Laser Measurement Group of Ophir Optronics, with the limitations set forth herein, state that all products manufactured by it, and the part number begins with "7" meet the requirements of directive 2002/95/EC (ROHS).

For items that their part number does not begin with "7", It is recommended to check whether there is a version of that product that begins with "7" and comply to ROHS.

Laser measurement group representations are solely based on statements provided by Ophir's suppliers. Ophir has not chemically analyzed the products for any of the listed substances.

Ehud Cohen | Quality Manager

A handwritten signature in blue ink, appearing to be the name "אהוד כהן" (Ehud Cohen) in Hebrew, written in a cursive style.
